J.Fa

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application of

SRIVASTAVA et al.

Atty. Ref.: 4062-117

Serial No. 10/813,436

TC/A.U.: 2857

Filed: March 31, 2004

Examiner: E. Desta

For: STOCHASTIC ANALYTICAL SOLUTION TO QUANTIFY THE EARTH'S SUBSURFACE MEAN HEAT FLOW AND ITS ERROR BOUNDS

December 2, 2005

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

DEC 0 2 2005

INFORMATION DISCLOSURE STATEMENT

Attention is directed to the attached documents referred to in the specification. A PTO-1449 is also attached together with the Information Disclosure Statement fee (\$180.00) for this stage of prosecution.

Official consideration and citation of each such reference is requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.

By:

Latry S. Nixon

Reg. No. 25,640

LSN:vc

901 North Glebe Road, 11th Floor

Arlington, VA 22203-1808

Telephone: (703) 816-4000
